

## INJECTO

### EXTRACTOR CARPET SHAMPOO

#### PRODUCT DESCRIPTION

A high performance carpet and upholstery cleaner designed for use in both truck mounted and portable carpet extractors. It quickly removes dirt, grease and grime from carpets and most wet-cleanable upholstery. Leaves carpets and upholstery brighter, cleaner, softer and smelling fresh.

#### WHERE TO USE

- ◆ Carpets, rugs, mats in homes, nursing homes, hospitals, locker rooms, children's nurseries, restaurants, etc.

#### HOW TO APPLY

Vacuum carpet/rug thoroughly before cleaning. Dilute 1 part INJECTO to 50 parts hot water. Concentrations may be increased for severe soil conditions. Inject and extract using steam cleaning or extraction equipment. Allow carpet/rug to dry, vacuum to remove dry residue.

#### COVERAGE

The coverage varies, the approximate coverage is (per diluted litre): 6 to 10 square metres. Store in closed container.

#### PACK SIZES

Packaged in 1 litre, 4 litre, 20 litre and 205 litre containers. Must be stored at room temperature, away from freezing. Keep out of reach of children and pets.
